Re: NPDES Permit Issuance Status
City of Anchorage, Point Woronzof WWTF
Application No. AK-002255-1

Dear Mr. Lamoreaux:

We received an NPDES permit application from the referenced facility on April 12, 1990. In accordance with the EPA/State of Alaska Procedures for Joint Review dated October 23, 1986, the following checked items apply:

1. NPDES Permit Application

☒ Complete

☐ Incomplete

☐ Not Signed

☐ State's Coastal Project Questionnaire and
Certification Statement not included

☐ Other _____

2. Major vs. Minor Determination

☒ Major

☐ Discretionary Major

☐ Environmentally Significant Minor

☐ Minor

3. Permit Processing Action Requested

☐ Issuance

☒ Reissuance

☐ Modification

4. Permit Processing Decision

☒ EPA is currently processing the referenced application. The draft NPDES permit will go to public notice in FY91.

The designated permit writer is Carla Fisher, and may be reached at (206)442-1756.

☐ EPA is currently processing the referenced application. An environmental assessment is required for this facility. A schedule for public notice and permit issuance is not available at this time.

☐ EPA will not issue a permit at this time. Based on the information provided in the application, we have concluded that the pollutant discharges from the referenced facility are minor and, therefore, have assigned a low priority to permit issuance.

In lieu of a permit the following action will be taken:
☐ a permit continuation letter will be sent to the applicant.
☐ a minor letter will be sent to the applicant.
☐ no action will be taken at this time.

Sincerely,

Charles W. Rice, Chief
Ocean Programs Section
